

# DIRECT Donation Drive

## YOUR CONTRIBUTION GIVES MATES A HEART!

Donating allows you to directly support MATES students with the most well-rounded and state of the art public elementary education in the Conejo Valley.

Your generous donations fund various programs and events throughout the school year! Last year the direct donation drive raised more than \$50,000.

Parents, grandparents, friends, local businesses, and especially MATES family owned businesses, are all welcome donors! Sponsorship opportunities are available as well. Your donations are 100% tax deductible.

Double your donation with Employer Matching Funds! Many employer programs match 100% of donations of \$50 or more. Check with your employer to see if they match!

Save the date for three big giving opportunities during the year: Direct Donation now through September 22, the Fun Run from October 23-November 2, and Benefit Dinner & Auction on May 17, 2024.

There are so many fun ways to support! Dine out at MCN's monthly Restaurant Nights, purchase gently used MATES clothing at MATES Marketplace, or have holiday photos taken on Family Photo Days.

Your contribution IS the heartbeat of MATES! MATES would not be the same without student favorites like Art@Lunch, STEAM Night, Family Movie Night, International Night, Music Day, Talent Show, Run Club, Winter Art Gallery, Women in History, and more.

Your donation improves the student experience! Donor funds provide library & tech enhancements, music & art programs, fulfillment of teacher wishlists and ongoing campus improvement projects.
