

MATES COMMUNITY NETWORK

S PONSORSHIP

Opportunities 2023-24

Mural by Mark Bukofsky

Make a Difference

Sponsoring the MATES Community Network (MCN) this school year provides you with an opportunity to support a local publicly-funded K-5 charter school, with proceeds benefiting the students and enriching their school experience.

Sponsorship gives your business or family visibility within our community, with recognition throughout the event, online, and on campus (depending on sponsorship level). And, of course, your donations are tax deductible.

Find the Right Fit

Depending on your budget and what you are interested in sponsoring, we can find the right fit for your business.

Take a look at the attached Menu of Sponsorship Opportunities and do not hesitate to contact MCN Fundraising Co-Chairs Arezou Zaidi and Nancy Melgar at fundraising@matesmcn.net if you have any questions. MCN and the MATES community thanks you. We hope to see you partner with our school this year!

MCN is the parent/teacher organization that supports Meadows Arts and Technology Elementary School (MATES) and provides fundraising and programs that benefit MATES. MCN is a 501(c)3 organization # 45-5538529 for your tax deductible donations.
